PROFESSIONAL SUMMARY

Information Systems & Business Analytics student at Loyola Marymount University with strong analytical and teamwork skills. Serving as the Vice President for LMU Men's Club Volleyball student organization. Seeking a Summer 2026 internship in business strategy or analysis to build real-world skills in data-focused decision making and problem solving.

EXPERIENCE

USAV — Volleyball Official

September 2024 - Present

- Oversee junior club volleyball matches, ensuring compliance with league rules and fostering a positive playing environment.
- Alleviate conflicts between players, coaches, and spectators, strengthening impartial decision-making and communication.
- Identify and address unsafe playing conditions, reducing risk of player injuries.

LMU Office of Student Conduct — Summer Assistant

May 2025 - August 2025

- Used AI programs, including Copilot, to generate ideas regarding personal research to assist with development of campus policy articles vital to students' responsibilities on campus.
- Managed high-volume phone calls in an efficient, professional manner.
